## WORK EXPERIENCE

### TESDA Accredited Java Trainer

Joyasis Tech Voc, Inc. | July 2023 - October 2025

- **Curriculum Delivery:** Facilitated comprehensive training for Programming Java NCIII, covering Core Java fundamentals, Object-Oriented Programming (OOP) principles, and advanced system logic.
- **Certification Coaching:** Prepared students for the Oracle Certified Associate (OCA) Java SE 8 exam, achieving high passing rates through rigorous mock exams and technical assessments.

### IT Support

Tamaraw Technohub Inc. | June 2020 - September 2022

- **System & VOIP Administration:** Managed and maintained Vicidial (outbound) and FreePBX (inbound) servers, ensuring 24/7 operational readiness for international BPO voice operations.
- **Network Management:** Configured and monitored pfSense firewall to maintain network security and established ISP Failover/Redundancy (Globe & PLDT) to ensure zero downtime during connection outages.
- **Technical Support:** Provided comprehensive hardware and software troubleshooting for all workstations, ensuring minimal disruption to agent productivity.
- **Vendor Management:** Liaised with VOIP providers for account management, load replenishment, and technical support to maintain high-quality call routes.

## PROJECT EXPERIENCE

### Static Personal Portfolio

Project Title: Personal Portfolio Website (Capstone 1)

[Project Link](#)

- Created a visually stunning personal portfolio website using HTML, CSS, and Bootstrap to showcase projects, skills, and professional achievements. The site is designed to be fully responsive, ensuring an optimal viewing experience across all devices.
- Developed portfolio with mobile-first design in mind. Custom CSS animations for a dynamic user experience. Styling with Bootstrap's grid system and components.
